Hope when the moment comes,
You'll say I did it all. I owned
every second that this world could
give. I saw so many places the
things that I did. Yeah with every
broken bone. I swear I lived.

Spirit Week!

Student Council

Middle school is the place where we grow, change and begin to discover who we will be someday. We take the time to build friendships that will last a lifetime. We learn from our mistakes, turn them into successes; successes that will one day shape our future and determine how we live outside of middle school. Throughout the four years of middle school you create a family: people you can trust and go to when you run into trouble; people you rely on and go to for advice. As we move on, grow up and begin to transition into high school, we need to watch out for our family. A family needs to remain close to one another in order for it to stand and not fall. As we continue on our journey we will always remember that Berklev Middle School will forever be the place where we began our lives and where we gained the fundamental skills to be happy and successful. The best wishes to everyone in their future endeavors.

Your Student Council Presidents,

Guy Parenteau and Cara Francisco
